Dear Sir/Madam,

Public Consultation for Proposed Malaysia's Positions for WRC-23 Agenda Items

We would like to thank MCMC for inviting comments from licensees, industry experts, interested parties and members of the public on the proposed Malaysia's position for World Radiocommunication Conference 2023 (WRC-23) agenda items.

Maxis would like to express appreciation to MCMC for this public consultation as it allows active participation by key stakeholders in major public policy issues such that comprehensive assessment can be done. A spectrum roadmap and a clear understanding of spectrum plans moving forward will aid industry in its preparations to better serve the consumer.

After detailed review of the PC document, Maxis has developed our comments and views on the WRC-23 agenda items 1.1, 1.2 and 1.4. Enclosed herewith is Maxis submission on the proposed Malaysia's position on these WRC-23 agenda items.

Thank you.

Yours sincerely,

Goh Seow Eng
Chief Executive Officer
