NON – CONFIDENTIAL SUMMARIES OF THE APPROVED UNIVERSAL SERVICE PLANS

List of Designated Universal Service Provider and Universal Service Target

No	Project	Description	Remark	Detail
1.	Time 3 Program	<p>Deployment of towers under Time 3 Program is targeted at rural villages and areas with population density of below 80 person per square kilometer. Main target areas include Felda, Felcra, plantations, Orang Asli settlements, new tourist locations, and critical federal highways. The scope of work is divided into two parts. Part 1 involves installation of network facilities (tower and infrastructure) and Part 2 is the provision of network services (electronics) related to public cellular service.</p> <p>Under Phase 1 and 2, designated service providers for Part 2 are required to provide 2G service at 664 sites. Distinctively, under Phase 3, designated service providers for Part 2 are required to provide 2G and 3G/LTE services through RAN sharing concept at the remaining 336 sites, with each tower provides a minimum of three (3) services from major public cellular network providers.</p>	This registration is intended only for Phase 3 (336 sites)	Refer Appendix 1; Page 3
