

## NOTICE

### INTERNET DIAL-UP SURVEY 2012

The Malaysian Communications and Multimedia Commission (MCMC) will be conducting the **Internet Dial-up Survey 2012** to collect data on the use of Internet.

This is a part of MCMC research regarding the use of Internet in Malaysia. The findings of this survey are expected to help improve MCMC's Internet programmes through a wider use of broadband.

The survey will be conducted entirely through the telephone and will begin on **6 October 2012** until **31 October 2012**. Canvassing will begin from **9.00 am** to **5.00 pm** daily including Saturdays and Sundays except Wilayah Persekutuan Kuala Lumpur/Selangor public holidays. Extension of survey period, if necessary, will be announced on MCMC's website.

Please be advised that no monies will be collected nor sales solicited. Respondents are selected based on telephone numbers which are randomly generated by a computer. Although participation is voluntary, full cooperation is sought from the public to provide the requested information. All collected information will be held in the strictest confidence and will be used only for the purpose of deriving statistics at national level.
