HOUSEHOLD USE OF THE INTERNET SURVEY 2012

The Malaysian Communications and Multimedia Commission (MCMC) will be conducting the **Household Use of the Internet Survey 2012** to collect data on the use of Internet.

This is part of the MCMC's continuous research on the use of Internet in Malaysia. The findings of this survey are expected to help enhance MCMC's information database and consequently used to improve the performance of the communications and multimedia industry in the country.

The survey will be conducted entirely through the telephone and will begin on **9 June 2012** until **17 August 2012**. Canvassing will begin from **9.00 am** to **5.00 pm** daily including Saturdays and Sundays except public holidays. Extension of the survey period, if necessary, will be announced on MCMC's website.

Please be advised that no monies will be collected nor sales solicited. Respondents are randomly selected based on telephone numbers by a computer. Although participation is voluntary, we seek full cooperation from the public to provide the information requested. All information collected will be held in the strictest confidence and will be used only for the purpose of deriving statistics at national level.
