MOBILE BROADBAND USERS SURVEY 2013

The Malaysian Communications and Multimedia Commission (MCMC) will be conducting the **Mobile Broadband Users Survey 2013** to collect data related to usage of Internet.

This effort is part of MCMC research regarding Internet usage in Malaysia. The findings of this survey will help improve MCMC's Internet programmes through an increase of broadband usage.

The survey will be conducted entirely by phone from the MCMC CATI Centre, Kuala Lumpur, commencing 18 May 2013 to 31 July 2013. Data collection will be done from 9:00 am to 4:45 pm daily including Saturdays and Sundays except Federal Territory Kuala Lumpur/Selangor public holidays. Survey completion and/or extensions will be announced in the MCMC website: www.skmm.gov.my.

Please be advised the purpose of this study is for data collection. No money will be collected nor sales solicited. Respondents are randomly selected by computer, based on telephone numbers. Participation is voluntary; however, the cooperation of the public is greatly appreciated so that the required information can be obtained. All information collected will be kept in the strictest confidence and will be used only for the purpose of deriving statistics at national level.
