P1 WIMAX SURVEY 2013

The Malaysian Communications and Multimedia Commission (MCMC) will be conducting the **P1 WiMAX Survey 2013** to collect data on the use of Internet.

This is a part of MCMC research regarding the use of Internet in Malaysia. The finding of this survey is expected to help improve MCMC's Internet programmes through a wider use of broadband.

The survey will be conducted entirely through phone and will begin on 23rd February 2013 until 21st March 2013. Canvassing will begin from 9:00 am to 5:00 pm daily including Saturdays and Sundays except Federal Territory Kuala Lumpur or Selangor public holidays. Survey completion and/or extensions will be announced in the MCMC website: www.skmm.gov.my.

Please be advised that no monies will be collected nor sales solicited. Respondents are randomly selected based on telephone numbers by a computer. Although participation is voluntary, full cooperation is sought from the public to provide the information requested. All information collected will be held in the strictest confidence and will be used only for the purpose of deriving statistics at national level.
