

## NOTICE

### UPCOMING 5G INNOVATION COMPETITION

**CYBERJAYA, 10 April 2026** – The Malaysian Communications and Multimedia Commission (MCMC) refers to the earlier notice dated 31 March 2026 on the upcoming 5G Innovation Competition and the invitation for submission of Expression of Interest (EOI).

MCMC wishes to inform that the deadline for submission of the EOI has been **extended from 10 April 2026 to 30 April 2026**.

Interested innovators, including startups and technology-driven enterprises, may indicate their preliminary interest in participating in the competition by scanning the QR code provided in the notice and submitting the required details.

This extension is intended to provide additional time to submit their expression of interest and to facilitate wider participation across the innovation ecosystem.

All other information provided in the earlier notice remains unchanged.

This notice supersedes the earlier notice on the EOI submission deadline.

For any enquiries, please email [5G.innovation@mcmc.gov.my](mailto:5G.innovation@mcmc.gov.my).

***Interested innovators may indicate their preliminary interest in participating in this competition by scanning the QR code provided.***
