

# INTEGRITY AND CODE OF ETHICS (ICoE) PROGRAMME

## THE PROGRAMME

The ICoE programme has been initiated as a platform to raise awareness on the required integrity standards, ethics, rules of behavior and positive conduct of all MCMC stakeholders when engaging with MCMC.

By the end of the programme, participants will acquire the knowledge and understanding that will elevate the integrity sensitivity and ethical conduct in all forms of engagements between MCMC and its stakeholders to deter corrupt practices.

## LEARNING OBJECTIVES

- i. Raise awareness and have better understanding of MCMC code of conduct and behaviours that uphold integrity and ethical practices when engaging with MCMC;
- ii. Enable participants to relate, apply and subscribe these behaviours when engaging with MCMC to mitigate risks, non-compliance, breaches and corruption;
- iii. Reiterate and explain the consequences for non-compliance, as well as actions that can be taken; and
- iv. Enable participants to extend the awareness and knowledge gained from this programme to their respective team, stakeholders and community.
